

# TEAM NEBULA

NETWORK AND INFORMATION SECURITY MANAGEMENT

SPRINT 1 (05/05 - 21/06) TEAM RETROSPECTIVE

24/06/21

# WHAT WORKED WELL?

- Seamless communication via various media
- Supportive & helpful team members
- Collaboration on all assignments, including Google Drive use
- Getting sites online
- Working to team strengths and balance between everyone
- Learning tools quickly
- Sharing insights & knowledge regularly
- Remained consistent with contract agreements and roles

# WHAT COULD BE IMPROVED?

- Use of the kanban
- Communication with our opposite team
- Need more references
- Tutor feedback: Criticality/comparison of approach needed
- Scheduling of calls

# WHAT WILL WE COMMIT TO IN SPRINT 2?

- Update the kanban more often
- Establish a single point of contact for opposite team (Czeska)
- List all references in document as we go
- Ensure we show criticality of the testing approach
- Scheduling of calls in advance
- Keep the same roles as Sprint 1
